To: New York State Law Enforcement Executives
From: Matthew Slater, Office of Public Safety
Date: October 24, 2011
Subject: Motor Vehicle Crash Management Training

The Office of Public Safety is pleased to announce the Motor Vehicle Crash Management course training series for 2012. The organization and delivery of the Motor Vehicle Crash Management courses have returned to a one-week format. The courses will be delivered progressively as **Basic Crash Management, Intermediate Crash Management, Advanced Crash Management** and **Technical Crash Management**. As was the case previously, officers must successfully complete each course with a grade of 70% before progressing to the next level. OPS is announcing this training schedule for the fiscal year and only these specific courses will be offered during the year. Please plan for your training needs accordingly.

Courses will be delivered from 8:00 AM to 4:00 PM, Monday – Friday on the following dates and locations by County:

Basic	Intermediate	Advanced	Technical
Onondaga 2/6-10/12	Onondaga 4/23-27/12	Monroe 5/21-25/12	Oneida 1/9-13/12
Warren 3/12-16/12	Warren 5/7-11/12	Albany 6/11-15/12	Orange 1/23-27/12

The *Basic Crash Management* and *Intermediate Crash Management* courses train officers to process accident scenes by preserving and collecting the available data and physical evidence. Students are also trained in basic collision investigation calculations and scene diagramming.

The *Advanced Crash Management* and *Technical Crash Management* courses train accident investigators to become proficient in the analysis and interpretation of crash data. The training includes lecture and project work dealing with; damage analysis, thrust diagramming, pre and post impact speed determinations and, time position analysis. Students will be issued drawing supplies and a calculator for the courses and should bring appropriate clothing for the outdoor projects.

Due to the hands-on field exercises for all courses, registrations will be limited and you must receive a confirmation notice from DCJS in order to attend. Please return the attached registration form no later than two weeks prior to the start of the course. **For your convenience it may be emailed by utilizing the “Submit by Email” radio button on the Course Registration form.** Directions to the training site will be included in your confirmation notice. If you have any questions about registration, please contact Tim Adamczak via e-mail at tim.adamczak@dcjs.state.ny.us or by telephone at (518) 457-1245

Please complete the Course Registration form which is located on the DCJS Training Calendar at <http://calendar.dcjs.state.ny.us/ViewCal.html> and submit it to DCJS by utilizing the “Submit by Email” radio button located on the form.
